---

The following information is necessary prior to approval of the demolition permit. Complete this information on the “description of work” portion on the permit application:

- If the razed structure(s) is a dwelling, indicate the size of the structure(s) in square footage and the # of stories.
- Indicate the approximate age of the razed structure(s).
- Indicate if a future single family dwelling will be constructed in its place.

If you have any questions on completing the permit application, please contact the Permit Office at (410) 313-2455.
